## About eLearning

We deliver web-based courses that are entirely self-paced. Log on whenever and as often as needed until you complete the course.

Our Learning Management System tracks your progress and returns you to where you left off. Once you've completed the course and successfully passed the test, you are awarded a certificate of completion. You can access and print your eLearning Records of Training through myFlightSafety.com.

## Tracking by Chief Pilot or DOM

Upon request, we can email weekly progress reports to the administrator of any account.

## Technical Support

FlightSafety eLearning technical support analysts are available by telephone during normal business hours and via e-mail after hours.

## Computer System Requirements

- Display setting of 1024x768 or greater
- Sound card with speakers or headset
- Flash v9.0+ and Java v1.5+ (freely available)
- Internet Explorer 6+ or Mozilla Firefox 1.5+

Our system will perform a quick test on your configuration, and guide you through any downloads you may need.
